1. The Niclaes Nicola mill which is one of the few private mills left in Rumania is located in the Dornesti-Neamt district. Lumber is supplied for the Danube-Black Sea Canal by government permit. The capacity of this mill is 15 cubic meters every 24 hours which is sold to Sovromconstrucție Number Seven in thick planks (two and one half centimeter) of soft wood.
2. In 1950 the Rumanian Government plans to cut 1,400,000 cubic meters of wood from the forests near Piatra Neamt. In 1949 800,000 cubic meters of wood were cut in Rumania.
3. There are large food storage plants in Piatra Neamt for the Rumanian Army.
4. At Jegalia, on the road between Constanta and Bucharest, 800 meters northwest of the local station, there is an ammunition dump with a special railroad spur leading from the dump to the station.
